

Holiday tour has been an OYT holiday tradition for 24 years! The tour is a group of dancers that learn a fun holiday dance and then go to nearby nursing homes to perform and spread holiday cheer. We have been going to Grande village in Twinsburg in honor of an amazing retired OYT teacher's mother who once lived there for over 10 years. A few classes will be invited to participate, and the dance will be rehearsed and learned during their regularly scheduled weekly class time. The entire class will learn the holiday dance. Those that wish to participate in the tour will be asked to purchase an inexpensive holiday costume to go to the nearby nursing homes to perform on a couple Sundays in December. It's ok if you can't make it to all the scheduled performances.
